URBAN UNDERSTATEMENT NEWLY DEFINED

If our SQUARE Urban bike was a person we would probably describe him or her like this: a reliable, uncomplicated guy. One who has a solution for everything and always keeps his cool. One who knows what he wants - and who doesn't care what mainstream wants. And because we put reliability on top of everything else, we are especially proud to be able to offer all models with a Continental belt drive and reliable shifting solutions.

REDUCED DESIGN
LOW-MAINTENANCE BELT DRIVE
INTEGRATED FENDERS
